Continuing the work of Jesus. Peacefully. Simply. Together.

Peace Between Us

Learning how to get along with other people, especially those who are closest to us, is an important skill for living. Caring for and about one another, desiring what is best for each other, is a key part of living in the way of Jesus. Peace Camp will take the week to explore some of the skills and attitudes that help us learn to get along and move beyond toleration to genuine caring for others.

Peace Camp will use games, music, stories, Bible stories, crafts, meditation and more to help kids explore peace.

Who can participate?

VBS is open to children ages 3 through having completed grade 8. Young children should be capable of interacting with others, listening to stories, and playing in a group. If you have a question, please give us a call.

Modesto Church of the Brethren

We are a community of people that seeks to continue the work of Jesus by caring for one another and the world in real, practical ways. We welcome all who are exploring who Jesus is, how we experience God, and how faith affects our daily living. We make room for individual understandings as we seek to better understand where God might be leading us as a whole. We embrace persons of every age, race, sexual orientation, ethnic and religious background, physical and mental ability, and economic means as vital and integral members of God's family. We welcome everyone to participate in the life and worship of this church community, and especially Peace Camp.
