Continuing the work of Jesus. Peacefully. Simply. Together.

"Connecting to the Web of Life"

At Children's Peace Camp this year will explore our connections to nature and the web of life. Each day we will focus on a different aspect of nature and celebrate the beauty of God's creation. We will learn about being good caretakers of some of the earth's precious resources such as, air, water, plants, and animals.

Who can participate?

Children's Peace Camp is open to children entering kindergarten to those who have completed 6th grade.

Modesto Church of the Brethren

We are a community of people that seeks to continue the work of Jesus by caring for one another and the world in real, practical ways. We welcome all who are exploring who Jesus is, how we experience God, and how faith affects our daily living. We make room for individual understandings as we seek to better understand where God might be leading us as a whole. We embrace persons of every age, race, sexual orientation, ethnic and religious background, physical and mental ability, and economic means as vital and integral members of God's family. We welcome everyone to participate in the life and worship of this church community, and especially Children's Peace Camp.

"Humankind has not woven the web of life. We are but one thread within it. Whatever we do to the web, we do to ourselves. All things are bound together. All things connect." Chief Seattle
