MoBand Invitation

For the next 3 Thursday evenings the MoBand concerts will be in Graceada Park. Jenni and Derek Castle have a living room and front porch that looks onto the stage. (115 Park Avenue, 3rd house from Needham Street) They would welcome anyone who would like to join them for any or all of the next 3 Thursdays.

The concert starts at 8 pm and goes until 10 pm. Everyone is welcome to come early (and avoid having to park so far away) and have a simple pot-luck salad dinner. Just bring a salad to share. Come any time after 5. The salad buffet will be open from 6-8. Please bring a folding chair if you have one. (We have a lot of chairs, but may need more.)

Parking close by is still fairly good at 5. We can probably reserve 3-4 spots in front of our house until soon after 5 for those with mobility issues. No need to RSVP unless you need a "mobility" parking spot, or need more info. If you need a close-up parking spot, please call Derek (209)573-3245 or Jenni (209)505-1784.

Sunday in-person worship continues weekly at Modesto Church of the Brethren. If you prefer, you may continue following the worship service online at the address below.

Welcome Statement

Believing that God's unbounded love and grace, as taught by Jesus, are offered to all and meant to be shared and celebrated by all, we embrace persons of every age, race, sexual orientation, ethnic and religious background, physical and mental ability, and economic means as vital and integral members of God's family. As an Open and Affirming congregation we welcome everyone to participate in the life and worship of our church

July Birthdays

Sue Messamer asks for continued prayers for her son David as he continues his rehab following his stroke.

David says, "Hello to all...I just had a neurology appointment and I'm healing and recovering well. I am still having issues with my vision and balance which are affecting my movement. The doctors are pleased with my progress. I'm home resting and recovering and I won't be working for many weeks."

Allison asks for continued prayers for the Gepleys.

Jim and Marye Martinez ask for prayers for their daughter Sandra, who is recovering from an infection. Jim asks for prayers for Marye, who is awaiting a root canal.

Prayers for Billie Switzer who is recovering at home from a stroke.

Keep Larry Cole in your prayers as he undergoes an angiogram this Thursday, hopefully to increase blood flow in his right leg.

Please keep Habibah Harvey in your prayers; her best friend, Daisy Harry Chung, who moved to Australia when Habibah moved to the US, and whom she has not seen for 2 years, suddenly passed away yesterday.

Keep in your prayers all these joys and sorrows which are left unspoken but remain in our hearts.

Please keep sharing all types of milestones: birthdays, births, marriages, anniversaries, graduations, new jobs, and anything that is a milestone in your life.

On the evening of June 15th, the Saturday morning men's group held their first evening bbq with spouses or significant others. With the heat increasing we got away with a nice evening in the 80's and a light breeze.
